Handicapping

Post all scores no matter where you play!!! EXCEPT: New for 2016 you cannot post rounds when you play by yourself per the USGA.

This includes scores you made in both match play and stroke play, including those you made in team competitions. Remember, for away scores, you will need the Course handicap rating and the Course Slope rating of the course played for posting. Also, record your score as soon as possible so that your scoring record is up to date for the next revision.

Post your score when you play at least 13 holes. On holes you didn't play, record a par plus any handicap strokes you would have received.

Post all nine hole scores no matter what tees you play. The computer will take care of combining the nines. Once combined, the score will have a "C" after it.

Online Internet Posting or Mobile App

The HDCP committee recommends that you post every score immediately following your round. For any reason you don't have access to an internet device you must post your score before the following 1st or 15th day of the month, whichever comes first.

GHIN Mobile is the official app of the Golf Handicap and Information Network®, a service of the United States Golf Association®. The GHIN Mobile app is available for use on Android, iPhone, iPad and the iPod Touch. Download it today at Google Play (formally, the Android Market) or the iTunes Store by searching on GHIN.

Know your Handicap Index

It's the number you get in the form of a whole number and a decimal fraction (ex. 11.6). Your index isn't your handicap; it simply leads you to your handicap based on the course and set of tees you will play.

Convert your index to your handicap

Use the handicap Table that is posted at every golf course. The Handicap Table is the key. Without it, you can't use your index. Locate your index for the slope of the tees you will be playing and get your handicap for the day (ex. 11.6 converts to handicap 14 on tees with slope 132). At The Medallion Club you can get your handicap for any tee from the handicap computer.

Adjust your score properly before posting

There is a maximum number that you can post on any hole depending on your handicap. This downward adjustment of an individual hole score for handicap purposes is based on the following table:

<u>Handicap</u>	<u>Max number on any hole</u>
9 or less	double bogey
10 through 19	7
20 through 29	8
30 through 39	9
40 or higher	10

What qualifies as a Tournament?

Tournament score identification is for competitions that are significant in the traditions and membership of the club. Examples of tournament scores are team matches (ex. Member- Member, Member- Guest competitions, stroke and match play club championships, and city, state and national competitions.) Note: Weekly play days are not to be designated as tournament scores.

What's the purpose of Reducing Handicap Indexes based on Tournament scores?

To identify Players who consistently excel in competition well beyond their current USGA Handicap Index and to lower their Handicap Index to better reflect their potential scoring ability. Less than one- half of one percent of golfers are affected by this procedure.

How Does The Procedure Work?

When a player has returned two or more tournament scores within the last twelve months; or within the player's current 20 score history that are exceptionally(3 or more strokes) lower than his or her USGA Handicap Index, the player will be subject to an automatic reduction of his or her USGA Handicap Index. For more details see Section 10 in the USGA Rule book, <http://www.usga.org/Rule-Books/Handicap-System-Manual/Rule-10/>, or contact Director of Golf.

On Tournament Days there will be an announcement as a reminder to post the score with a "T" designation. The Handicap Committee will review all postings for these designated tournaments.

The Handicap Committee will randomly review Twilight and Dogfight scores.
The Competitor is responsible to properly enter Dogfight and Twilight scores.

Tournaments Designated as "Tournament Scores" for 2015

A Tournament Score is a score made in a competition, which is conducted by a committee such as a District Golf Association, or a committee of a club. The competition must identify winners based on a stipulated number of rounds and must be played under the Rules of Golf. The committee will announce, in advance, that the score must be identified with the letter "T" when posted.

Tournament Score identification is for competitions that are significant in the traditions and membership of the club.

On Tournament Days, there will be an announcement by a member of the Handicap Committee or the Golf Staff as a reminder to post score with a "T".

Etiquette and Pace of Play

Etiquette: Golf is best played by adhering to the following two principles:

1. Play the ball as it lies.
2. Play and leave the Course as you find it.

To leave the Course as you find it means:

- Repair Ball Marks
- **Replace Divots!! Only use sand when you can't replace your divot.**
- Rake Bunkers
- Obey Cart Regulations
- Following these simple principles will allow everyone to enjoy the game and course.

Pace of Play: **The pace of play is a continuing focus of the golf operation. Starting, turn, and finishing times are closely monitored. Players who fail to keep up with the pace of play will be penalized in the form of penalty shots added to score and possible suspension from tournaments.**

Adopt these resolutions for faster play:

1. Play ready Golf. Tee off when ready, hit when ready, and putt out when ready.
2. If carts are restricted to the cart path only, take extra clubs with you so you will not have to return to the cart.
3. Minimize practice swings. If possible, take them while others are playing their shots.
4. Play from the tee markers that are appropriate for your skill level.
5. Do not spend unnecessary time looking for lost balls. Though the rules allow 5 minutes to search for a lost ball, course usage may dictate that you can spend only one or two minutes in order to keep up with the group in front of you. If you think your ball may be lost outside of a water hazard, you may play a provisional ball.
6. Do not stop for lunch at the turn. "Quick food" is available from the beverage cart and the Halfway House.
7. Minimize cell phone usage.
8. Be in position and ready to hit when it is your turn to play.
9. The Pace of Play at the Medallion Club is ideally 4 hours and 19 minutes for a foursome. Any foursome finishing in over 4 hours and 34 minutes (CDGA Recommended Pace for Medallion) from your starting time without being within 15 minutes with of the group in front of you is in violation of our Pace of Play rules. Punishments for violations can range from stroke penalties to letters to suspensions based on our Board of Governors Golf Rules.

2016 CHANGES TO TOURNAMENT GUIDE

Event	Changes
USE OF MULTI-TEES (Green & White Combo)	<p>We will be allowing the use of Multi-Tees in our Dogfights and Twilights ONLY! If you move to the green & white combo tees, your team will not be eligible to win any Gross Payouts and you will not be able to participate in the skins game. We will no longer be using green or black, just green/white combo</p>
SENIOR TEES Green & White Combo Tees	<p>In all of our MGA events, except those listed below, we will allow people who qualify to use Green Tees. You will be deducted handicap shots by using the USGA system of reduction for Multi-Tee usage in events.</p> <p>To qualify you have to be at least 62 years old and your age plus handicap has to add up to at least 82. (example: 62 year old with a 20 handicap)</p> <p>This rule will not be in effect for Men's Club Championship, Senior Club Championship and The Medallion Cup. All competitors must play the white tees in those events. Playing from the Senior Tee's does not have an impact of our 12 shot rule for our major tournaments. The 12 shot rule is based on your white tee handicap. We will make the 12 shot rule adjustment first, and then you will be further reduced if you wish to play from the senior tees.</p>
TWILIGHTS	<p>2 Man Better Ball: Pro Shop picks your partner (pairings will be in A/B Format)</p> <p style="text-align: center;">*** Last Wednesday of the month is Pick Your Partner & Net Skins <u>All formats will be played at 90% Handicap</u></p>
DOGFIGHT	<ol style="list-style-type: none"> 1. 90% Handicap 2. Only two formats: 1 Best Ball of 2 and Stableford 3. Instead of 6th & 7th Place Points we will be going back to Front 9 and Back 9 Points. You cannot be in the top 5 places to win the front or back.
SPRING RYDER CUP	Winning team only receives 10 Ryder Cup Points
RYDER CUP	<p>The Ryder Cup this year will be expanded to 40 players. 38 Players will qualify on the season ending point list. The Captains will each pick 1 additional playing member for their team. This person still has to meet the minimum Ryder Cup events of 10 to be eligible. No alternates this year.</p> <p>We will re-pair opponents (not partners) after 1st and 2nd rounds on Saturday</p>
PARTNERS CLUB CHAMPIONSHIP	<p>Instead of randomly setting up the brackets we will break them down in an A Bracket and B Bracket based on total team handicaps. The championship final match will feature the top A Bracket Team vs the top B Bracket team.</p>
MEMBER-GUEST Name & Sign UP	<p>The Member-Guest will be changed to "THE RIN" in 2016 honoring the passing of our longtime owner K.C. Rin.</p> <p>Also, we have changed the sign up procedures. 2015 will have guaranteed spots but all other openings in the field will be filled in a lottery form. After that 1 time lottery, we will create a perpetual waitlist list that will continue on each year.</p>
LABOR DAY TOURNAMENT	This will no longer be a yellow ball tournament

Partners Club Championship

Year Long Four-Ball Match Play Tournament

Time: Match dates & times decided by players. The First Round will start on April 15th

Deadlines: Each match must be completed by the day listed below. There will be NO EXCEPTIONS. If the match hasn't been played by that day, the teams will have a 1pm tee time on the deadline date. If one team cannot make the 1pm deadline tee time, the other team is declared the winner of that match. If you schedule your match and a tee time (and the course is open), the match must be played unless both sides agree to postpone.

Round 1: May 22nd
Round 3: July 24th
Semi-Finals: August 28th

Round 2: June 19th
Round 4: August 14th
Finals: September 11th

Format: Partners Better Ball, Match Play. 90% of Current Handicap played off of the low ball. There will be an A bracket and B Bracket this year based on the team's total handicap. Lowest 32 handicaps in the A Bracket, Highest 32 handicaps in the B Bracket.

Match Play: Unlike stroke play, in which the unit of scoring is the total number of strokes taken over one or more rounds of golf, match play scoring consists of individual holes won, halved or lost. On each hole, the most that can be gained is one point.

Rules: USGA rules govern this event except where modified below

Stroke Rule: The 12 stroke rule is in effect for this event stating that the partner's handicaps must be within 12 shots of each other. If they are not we will adjust down the higher handicap so that they are. (Example: a 1 handicap playing with a 20 handicap. The 20 would adjust down to a 13)

Entry Fee: \$100.00 per team (\$50.00 per player) Payouts in Golf Shop Credit, Last Year's Champions received \$540 each in golf shop credit. Field limited to the first 64 teams

Ryder Cup Points:

Any Matches won not in top 4 teams:	5 points

The Ryder Cup Matches

Saturday & Sunday, October 15th & 16th

The Ryder Cup Matches at The Medallion Club is one of the most anticipated events of the golf season. It is a fitting end to an exciting year. The teams will consist of the top 40 players (38 on the season ending points list and 2 **playing** captains picks, 1 per each team). Players earn points from weekly events such as the Wednesday Men's Twilight and the Saturday Morning Dogfight, along with other events throughout the season. There will be no exemptions this year. All players including captains picks must play in a minimum of 10 Ryder Cup Points Events. This is events played NOT rounds played. Example: Partners CC counts as 1 event. Each team member receives a swag bag full of Ryder Cup gifts each year.

The top two individuals are the respective captains for each team. Each captain can pick 1 player to join their team in a playing role. No alternates this year.

If there is a tie for the last Ryder Cup spot the first tie-breaker is the most Ryder Cup Point events played in during the 2016 season. Second tie-breaker is your last posted score in the computer, lowest net.

Format: All Matches are Match Play

Saturday: 27 Holes: 9 Hole Better Ball {100% 9-hole handicap}
9 Hole Alt. Shot Odds & Evens {50 % 9-hole handicap}
9 Hole Better Ball {100% 9-hole handicap}
(We will be switching opponents after 9 holes this year)

Sunday: 18 Hole: Singles Matches {100% 18-hole handicap}
