"The Medallion Club was everything we hoped for and more. Chris was amazing to work with. She is always kind and patient as she answered my questions. The club is beautiful and the food amazing. Our guests are still telling us how wonderful the food was."

Amie, 8/5/2017

"The Medallion Club was the first venue we looked at after we were engaged and instantly fell head over heels for the efficiency, landscape and warmth given to us by the coordinator, Chris Ramsay. No other location compared to them from addressing our service needs to being absolutely patient with us every step of the way. Our advice to couples would be to look no further and trust your instinct. The Medallion Club and the people who work there are fantastic and will make your wedding day feel like a dream. We honestly had one of the best days of our lives and even weeks later are still amazed by the staff who makes The Medallion Club - a little slice of heaven on earth.

Thank you from the bottom of our hearts."

Lenora and Zach, 10/15/2016

"The Medallion Club provided what we can only describe as an unforgettable experience. We did both our rehearsal dinner as well as our wedding at Medallion. The venue itself was perfect for every part of our wedding day! The beautiful landscaping and golf course in the back made our outdoor ceremony a dream come true. The ballroom was the perfect size for us to feel close to our guests, but not squeezed together, and of course plenty of room for a large dance floor for our family and friends to dance the night away! Our guest are still raving about the food! We were told, "this is the best food I have ever had at a wedding", "the filet cuts like butter", and "I couldn't wait to get seconds". We could not agree more with our guests. Overall our experience at The Medallion Club is one that we will never forget. Thank you to The Medallion Club and their entire staff for making our wedding a dream come true!"
