2011 Wrap Up

I just wanted to say thank you to the membership for another great season at The Medallion Club. We have created such great momentum this year that I am already excited for the 2012 season. We had many highlights this year, which are all because of the great membership we have at the club. We are currently working on setting the dates for the 2012 season so that you can mark your calendars and I will email those out sometime very soon.

I do want to thank all of my staff who put in many long hours to help us achieve such a successful season. The increase in membership was very hectic for them, but I believe they did a wonderful job and I am very thankful to have them here. We learned first-hand with the increased membership numbers this year that with members everything is possible.

Please mark your calendars as we will once again be having the Turkey Scramble this year the day after Thanksgiving (Friday, November 25th) and check your emails because the Professional Shop will have special shopping hours & sales for the holiday season. Also remember that the shop is closed for the month of January, so if you need your golf clubs during that month please plan ahead.

Thanks again for the support; it's a great pleasure for me to be your Head Golf Professional.

A second session will begin late January or early February, be looking for more information in the coming months so you can join in the fun.

Second is our new **Racquetball Challenge Court**. It is free for all members and will be held every Tuesday from 6:30 - 8:30pm. Just show up and play games to 11 with the winner staying on (unless they win 3 in a row). Court #1 will be for C/D level players and Court #2 will be for A/B level players.

Lastly, is our new **Racquetball Challenge Ladder**. This program is also free for all members. Simply sign up and your name will be added to the bottom of the Ladder. You can then "Challenge" anyone above you to a full match (2 games to 15 and a tiebreaker to 11 if needed). Beat them and you take over their spot on the Ladder. Work your way to the top over the course of the season and claim the title of Medallion Racquetball Club Champion for 2011-2012! To sign up for the ladder simply send an e-mail to club pro Doug Ganim at ganim@mac.com or sign up at the Fitness Desk Center.

For those players that want Private Racquetball Lessons you have two options. One hour lesson with Head Pro Doug Ganim costs \$70. One hour lesson with Asst. Pro Eric Schoen costs \$40. To schedule a lesson with either pro simply email your cell phone number to ganim@mac.com and we will get you scheduled.
