It's hard to believe summer is over! With sunken ships in our Aqua Gym class, to our Family Night at the Pool, sand volleyball tournament, synchronized swimming, Dog Days of Summer, Blue Heron swim team and mimosas for Moms...there was just about something for everyone at the pool. If you missed out this summer, get ready for next year when we bring everything back including group and private swim lessons, swim team, hydro-fitness and Kid's Kamp. Thanks again for a memorable summer, I have appreciated the opportunity to get to know more members and look forward to making 2012 another great summer!

Robin

As the weather cools, warm up with us. There are racquet ball leagues starting to form in October, which is a great way to stay in shape and have some fun. If competition isn't your game, we have a variety of classes to spice up your fall. From Yoga to spinning there is something for everyone. Check out the new schedule! Grab a friend, buy a package and attend classes as often as you would like. Prices are reasonable! A package of ten lessons costs \$75.00 and the lessons decrease in price the larger the package you choose. Whether you have a class in the morning or at night, Kids Korner is open for your convenience plus it's free for the 1st hour for the 1st child when you purchase a package of any size. And as always, guests are welcome!
